

Transportation Program: What's New

Southeast Conference Mid-Session Summit
8 February 2024

Today's Discussion

The Commission: Past to Present
Transportation Program

Active and Upcoming Funding Opportunities

An Independent Federal Regional Commission

In 1998, Congress created the Denali Commission.

- Place-based, intergovernmental, and multifaceted in programmatic orientation
- Address Alaska's unique infrastructure gaps compared to elsewhere in US

The Commission's Mission

Mission: Promote economic development with a focus on critical infrastructure and workforce training in rural Alaska.

Investments

- \$1.7 billion invested in over 230 communities over 25 years
- Needs-based priority lists and competitive opportunities
- Complement, but not duplicate the work of other Federal and State agencies
- Includes maintaining, sustaining, and protecting existing infrastructure
- Partnerships to leverage or unlock future funding

Denali Commission Programs

Energy

Health Facilities

Transportation

Village Infrastructure
Protection

Sanitation and Solid Waste

Workforce & Economic
Development

Broadband

Housing, Health, &
Wellness

Funding Levels – Past to Present

The Commission Today

- Commissioners

Seven Alaskans including the Commission's Federal Co-Chair, Garrett Boyle:

- State of Alaska Co-Chair: Micaela Fowler
- Alaska Federation of Natives: Julie Kitka
- Alaska General Contractors: Alicia Amberg
- Alaska Municipal League: Nils Andreassen
- American Federation of Labor and Congress of Industrial Organizations - Alaska: Joelle Hall
- University of Alaska: Pat Pitney

- Staff

- Small staff (15) plus IG, subject matter experts, decisions made in Alaska
- Numerous program partners
- Shared resources; common vision

Denali Commission Special Tools

1. Transfer and Gift Authority

- Authority to accept funds from non-federal and federal sources
- Registers funds as expended, eliminating risk of “sweep-back”
- Becomes Commission funds with statutory flexibility

2. Non-Federal Cost Share Match

- Ability to match funds with other federal agencies
- Acts like private or state funds

3. No-Year Funds

- Does not expire at end of fiscal year
- Allows for long-term capital “banking”

Denali Access System Program – Transportation

- Funded >\$125 Million years 2006 – 2017
- USDOT, FHWA, FTA, BIA, MARAD w/\$400 Million match
- Surface & Waterfront Transportation Improvements
- Over 112 surface projects, 124 waterfront projects, 140+ communities
- Transportation Advisory Committee
 - Stipulated by Statute, represent regions
 - Appointed by the Governor of Alaska
 - Advise on transportation needs of rural communities
 - Provide project recommendations and priorities

Transportation Program Funding

2020-2023 Transportation Projects by Location

Years 2020-2023 Total Transportation Investments	
Waterfront	\$12,231,549.00
Surface	\$20,313,468.00
Total	\$32,545,017.00

Transportation Projects

Surface Transportation Project Examples

- Improvements to community roads and streets
- ATV board roads and boardwalks
- Trails
- Bridge rehabilitation, drainage and/or drainage structure development or improvement

Waterfront Transportation Project Examples

- Small Ports and Harbors
- Community Docks
- Barge Landings

Transportation Program

Active and Upcoming Funding Opportunities

FY 2024 Funding Opportunity

Active: Spring 2024
Unified Funding
Opportunity
Announcement

<https://www.grants.gov>

Request Cap: \$2,000,000

Eligible Programs

Energy

Health Facilities

Transportation

Village Infrastructure Protection

Sanitation and Solid Waste

Workforce & Economic Development

Broadband

Housing, Health, & Wellness

2023 Unified Funding Opportunity by the Numbers

- Application Period: February 2 - April 17
- **\$34,800,000** in funding available
- **197** eligible applications received requesting **\$163,537,225**
- Final recommendation for **\$33,947,298** across 75 projects published July 11
- Projects in **56** unique communities plus projects with regional and statewide impact

Breakdown in Funding Requests

Application and Match Requirements

Application Section
A. Application Checklist a. Distressed/Disadvantaged Community Status b. Environmentally Threatened Community Status
B. Application Form
C. Application Package a. Project Narrative b. Scope of Work and Schedule c. Organization, Capacity, and Delivery Method d. Partnerships and Leveraged Funds
e. Budget/Resources i. Budget by Cost Category (SF 424) ii. Budget by Task iii. Funding Summary
D. Program Specific Responses, as applicable
E. Appendix

Construction grants where the Commission is the primary funder (50 percent or more of total budget):

- **Distressed communities** At least 20 percent of the project cost is required.
 - Climate and Economic Justice Screening Tool. “Disadvantaged communities” in Alaska identified in the CEJST are also considered “distressed communities.”
- **Non-distressed communities** 50 percent of the project cost is required.

Non-construction grants ie: planning, design, permitting - No match requirement

Project Evaluation

Evaluation Criterion
Distressed Communities and/or Disadvantaged Communities
Environmentally Threatened Communities
Project Narrative
Scope of Work and Schedule
Organization, Capacity, and Delivery Method
Partnerships and Leveraged Funds
Budget/Resources
Program Specific Evaluation Criteria (if applicable)
