OUR APPROACH

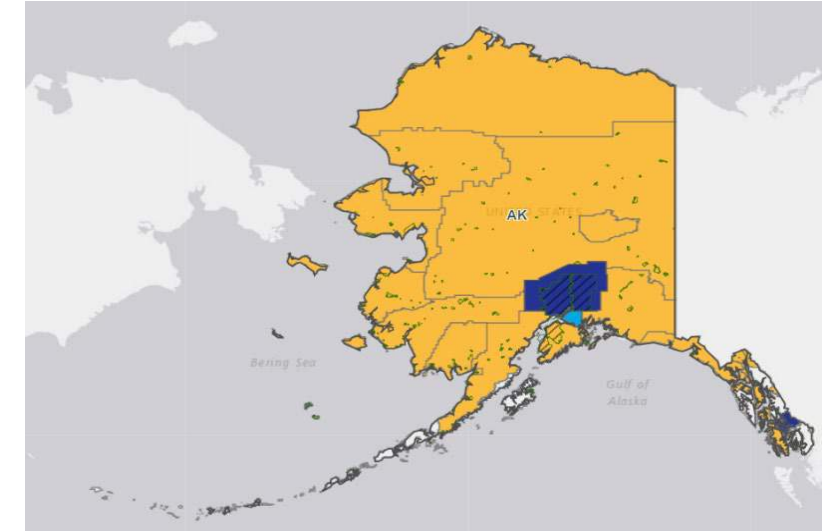

ALASKA
MUNICIPAL
LEAGUE

OUR IMPACT

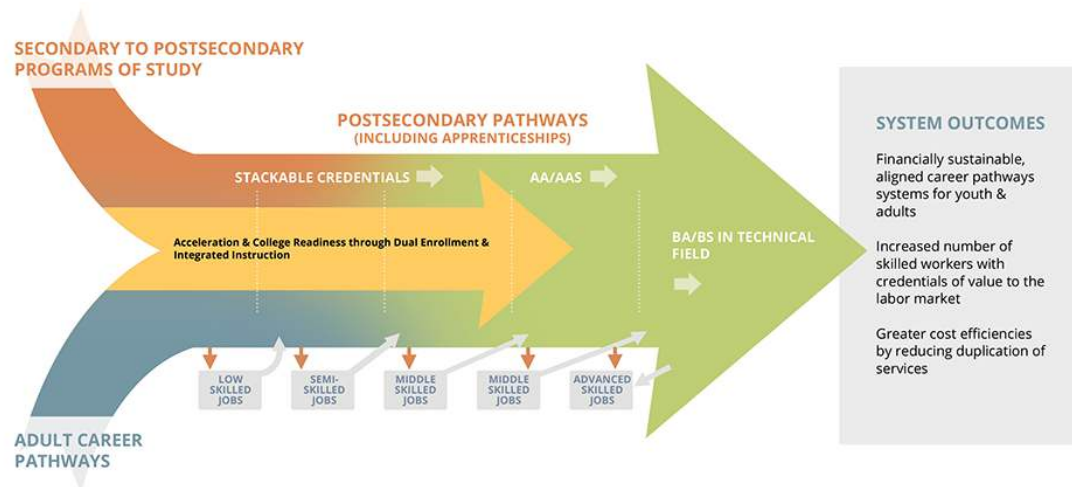

WORKFORCE DEVELOPMENT

1. Establish and cultivate increased coordinative capacity within and between the workforce and relevant sectors.
2. Expand outreach efforts to underserved and disadvantaged areas with high unemployment and underemployment.
3. Increase capacity of existing place-based training programs for upskilling and reskilling Alaskans for employment in high-demand industries, implemented by prioritized region.

Map 1: Recompete Eligibility Mapping - Alaska

4. Identify and deliver new or improved rural place-based training to underserved areas for upskilling and reskilling Alaskans for employment in high-demand industries, implemented by prioritized region and sector.
5. Provide wraparound support services.
6. Strengthen economic development and the energy efficiency contractor ecosystem.
